

Elliptical E875

SportsArt ellipticals are the perfect option for exercisers looking for a total-body, low-impact workout. The contact heart rate is standard and a wireless Polar® HR receiver is built in, multiple language options are included (English, Spanish and French) and a 3-speed fan keeps users cool.

- Industry-leading 17"-29" electronically adjustable stride; conforms to the user for superior comfort and versatility
- Vari-Stride™ program slowly varies stride length for greater calorie burn and works multiple muscle groups in one session
- Shift-on-the-fly fingertip controls offer 40 levels of resistance and the widest stride range in the industry
- Myflex™ pedal cushioning system provides a comfortable workout platform

Overall Weight	Dimensions	Resistance Level	Stride Length	Maximum User Weight
366 lbs.	89" x 27" x 68"	40 levels of resistance	17"-29"	500 lbs.
