

INDOOR CYCLING **PRO20™**

THE LEGEND, REDESIGNED.

For over a decade, the Schwinn IC Pro™ has set the standard as the cycle studio workhorse. Now, 20 years after Schwinn® built the first production bike for indoor cycling, we are proud to introduce the IC Pro20™. The newest addition to the Schwinn® line combines the proven, authentic drive train of the IC Pro with updated features. All housed in a sleek, modern frame profile, finished off in a distinctive satin black finish. Who says function can't be beautiful?

SCHWINN®

PEDAL FEATURES AND OPTIONS

The Schwinn IC Pro 20TM indoor bike comes standard with the familiar classic flat pedals and cages to accommodate regular athletic shoes.

The IC Pro bike is compatible with the Schwinn Triple LinkTM pedal upgrade. Triple Link Pedals accommodate Look Delta and SPD style cleats to simulate an outdoor riding experience. They also easily convert to accept traditional athletic shoes with the snap-in locking toe clips.
