

DURABLE CONSTRUCTION AND INTELLIGENT FEATURES DELIVER SUPERIOR RESULTS.

We designed and engineered the T80 treadmill to withstand hours of worry-free commercial use. Plus, the long deck and digital drive system give runners the space and consistent performance they need to maintain their training.

TREADMILL

Three console options available. See reverse for more information.

Engineered specifically for our treadmills, the Johnson Drive System™ delivers truly responsive performance as well as quiet and efficient operation.

We offer three console options so you can select the features that work best for you. Each console has an intuitive interface so it's easy for you to adjust settings and fine-tune your workout. Plus, they're all compatible with our Passport™ Media Player, which connects to a television and transports you to stunning locales while you exercise.
